Dear Catherine, last year C4 also was kind enough to pay for additional enforcement coverage through the new year.

The problem was that starting Christmas Eve there was no person assigned on the City Dept side, or C4 side to oversee and assure that the enforcement was coordinated and effective.

On Christmas Eve I emailed LAFD Deputy Chief, Fire Marshal Vidovich, who immediately had two of his battalion Chiefs coordinate enforcement. DOT, RAP and LAPD were all involved and coordinated, and they helped a great deal. This was greatly appreciated.

The crowds begin to come up here on the 24th, and Christmas was scary. With beautiful weather predicted I expect even more tourist presence.

Can you please confirm who from the City Depts side and C4 will be managing this so we can rest easy via assurance of public safety?

Last year every possible law was being violated. Lots of open container drinking at the park, Illegal Vistas, and on properties on Canyon Lake. All were used as urinals, trash cans and ash treys. Tour operators were up here in droves. I do believe there were a few car accidents as well.

Thank you

We do not have a specific person that will be on duty continuously for this assignment. The public should utilize parking enforcement and police numbers, per usual. The DOT call center is (213) 485-4184.

Best wishes for a restful and happy holiday!!

Dear Catherine, last year C4 also was kind enough to pay for additional enforcement coverage through the new year. The problem was that starting Christmas Eve there was no person assigned on the City Dept side, or C4 side to oversee and assure that the enforcement was coordinated and effective.

On Christmas Eve I emailed LAFD Deputy Chief, Fire Marshal Vidovich, who immediately had two of his battalion Chiefs coordinate enforcement. DOT, RAP and LAPD were all involved and coordinated, and they helped a great deal. This was greatly appreciated.

The crowds begin to come up here on the 24th, and Christmas was scary. With beautiful weather predicted I expect even more tourist presence.

Can you please confirm who from the City Depts side and C4 will be managing this so we can rest easy via assurance of public safety?

Last year every possible law was being violated. Lots of open container drinking at the park, Illegal Vistas, and on properties on Canyon Lake. All were used as urinals, trash cans and ash treys. Tour operators were up here in droves. I do believe there were a few car accidents as well.

Thank you

I have confirmed Rangers will be on site December 26 through January 3.

However, I have asked Park Rangers to add December 24 and 25...I will let you know when these two dates are confirmed.

Catherine,

We will ensure that the basic car for the area, 6A15, spends significant time up there enforcing smoking and traffic violations due to increased tourism to the Hollywood sign over the holiday period. Tracye Fields is the point of contact

Dear Catherine, last year C4 also was kind enough to pay for additional enforcement coverage through the new year. The problem was that starting Christmas Eve there was no person assigned on the City Dept side, or C4 side to oversee and assure that the enforcement was coordinated and effective.

On Christmas Eve I emailed LAFD Deputy Chief, Fire Marshal Vidovich, who immediately had two of his battalion Chiefs coordinate enforcement. DOT, RAP and LAPD were all involved and coordinated, and they helped a great deal. This was greatly appreciated.

The crowds begin to come up here on the 24th, and Christmas was scary. With beautiful weather predicted I expect even more tourist presence.

All,

I would like to make a very simple suggestion.

When the inevitable hordes of cars come up LedgeWood Drive and try to stop at "dirt Mulholland" (the tiny, 6-house dead end street that is right under the Hollywood sign), can the officers PLEASE redirect the traffic to the Griffith Park Observatory? Invariably, I see the officers push the cars along to the vista, which is a chronic disaster. The cars do not belong there, either.

Our neighborhood is NOT a sanctioned viewing site for the sign. It is NOT an official entrance to Griffith Park. We all know that our tiny, winding, substandard streets were NEVER intended for this unprecedented traffic.

The ONLY official, sanctioned viewing sites for the sign are the Griffith Park Observatory, and Hollywood & Highland. Please see for yourself:

<http://hollywoodsign.org/seeing-the-sign/viewpoints/>

The Hollywood Chamber of Commerce also refers people to the Hollywoodsign.org website:

Small pieces of paper with the Griffith Park Observatory address can be handed out to cars, so that they can turn around and go to the proper viewing site, and our neighborhood can be SAFE.

The address is:

Dear Catherine, last year C4 also was kind enough to pay for additional enforcement coverage through the new year. The problem was that starting Christmas Eve there was no person assigned on the City Dept side, or C4 side to oversee and assure that the enforcement was coordinated and effective.

On Christmas Eve I emailed LAFD Deputy Chief, Fire Marshal Vidovich, who immediately had two of his battalion Chiefs coordinate enforcement. DOT, RAP and LAPD were all involved and coordinated, and they helped a great deal. This was greatly appreciated.

The crowds begin to come up here on the 24th, and Christmas was scary. With beautiful weather predicted I expect even more tourist presence.

Can you please confirm who from the City Depts side and C4 will be managing this so we can rest easy via assurance of public safety?

Last year every possible law was being violated. Lots of open container drinking at the park, Illegal Vistas, and on properties on Canyon Lake. All were used as urinals, trash cans and ash treys. Tour operators were up here in droves. I do believe there were a few car accidents as well.

Hello Chief Castro -

See Tony's email below. CD4 has hired extra DOT enforcement officers for the Lake Hollywood and Beachwood area for the Hollywood sign hotspots during the holiday period from 12/25 through 1/3. Are there any plans for increased LAFD presence in or to coordinate those areas (is that actually what happened last year, as Tony says below?). Who is the best contact person over the holiday period?

Thank you! I hope you have a happy holidays -

Why can't we direct people OUT of our neighborhood who are solely coming to view the sign?

The flashing neon sign at the bottom of Beachwood usually says, "NO ACCESS TO HWOOD SIGN." For some reason, now it only flashes "CAUTION" which frankly has no meaning.

Thank you,

All were used as urinals, trash cans

Dear Catherine, last

The problem was that starting

was coordinated and
effective.

On Christmas Eve I emailed
LAFD Deputy Chief, Fire Marshal Vidovich, who
immediately had two of his battalion Chiefs

The crowds begin to come up

Catherine and All,

I have consolidated the concerns in this email chain:

1. Thanks for the info, Joe. Yet, fire burning index will not stop dry brush from going up in flames *as it has twice already from lit cigarettes at the Vista*. I think this is really the point.
2. Residents are asking, if this not a sanctioned tourist destination, then why is it being treated as one? And as Heather queries, why are people *not* being directed to an official destination? Does the city sanction this area as a park view zone, and if so, how can that be when there was never an environmental review or public hearing for its development?
3. Last year, and years before we have had to manage the different city depts. (LAPD, DOT, Rangers, etc.) on holidays such as this, and it looks as if we will this year too. We appreciate that we have emergency contacts. Will our contacts be available when we call them at midnight, or later, as that is also when problems arise (parties, loud music, open containers)?
4. We've seen new changes at the Vista (planting, stanchions, etc.), perhaps good ones, and are wondering if there other changes planned, and if so, will we be notified prior? The Vista was formerly balded under our noses under the guise of beauty. Now it is our beast. Forgive us our edge/distrust, but city changes for this particular area rarely involve the citizens paying for them. This is disturbing.
5. Will C4 please give us a date they will have an official response to RAP's most recent strategic proposal to take pressure off the Vista, Dirt Mulholland and Beachwood, and move traffic to a view zone with supportive infrastructure? My earlier email regarding this was not answered.

Catherine, I know you answer to higher powers, but I trust you will present our concerns. Thanks for C4's support and financial outlay. It is appreciated and we are grateful for the additional help.

Our dream is for a happy holiday, and more to come.

Sincerely,

Rio
